The screenshot shows the BMJ Best Practice registration page. The header includes 'Log in', 'Create account', and 'Help'. A search bar is present with the text 'Search conditions, symptoms...'. Below the header, there are navigation links: 'Recent updates', 'Specialties', 'Calculators', 'Patient leaflets', 'Procedural videos', 'Evidence', and 'Drugs'. The main heading is 'Create your FREE personal account in one step'. The registration form has three red-bordered boxes: 'Email' with the text '醫院信箱或個人信箱皆可', 'Password' with '6個英文數字以上，其中要包含1個數字', and 'Repeat password' with '重複輸入密碼'. There are two checkboxes for terms and conditions. A red-bordered 'CREATE ACCOUNT' button is highlighted with the text '完成後點選Create Account'. To the right, a video shows a doctor, and a box lists benefits: 'With a personal account, you can: Use the highly rated BMJ Best Practice app, even offline; Get CME/CPD certificates for time spent on BMJ Best Practice; Access BMJ Best Practice anywhere'. At the bottom, it says 'Already have a personal account? LOG IN.'

5. 完成註冊後，重新選擇 Log in，您註冊的 Email 就會顯示在主畫面之右上方。如果之後您是在 IP 範圍外，輸入您的 ID/PW 即可院外使用!!
