

## Department of Pharmacy

### Clinical Elective Clerkship/Clinical Study

#### for International Pharmacy Students/Professionals

<b>Introduction</b>	<p>The Department of Pharmacy in VGHTPE, one of the leading and prestigious medical centers in Taiwan, comprises three divisions-Dispensing, Compounding, and Clinical Pharmacy Division. To achieve our mission “To provide excellent pharmacy services, empower pharmacist’s profession, manage effectively and operate everlastingly”, we take charge of diverse projects associated to pharmacy and medication management, such as multidisciplinary collaboration, pharmacist-led clinics development, and health IT integration in pharmacy services at each stage of the patient journey.</p> <p>Our department is also committed to the education and professional development of pharmacists and pharmacy students. Our clinical elective programs are tailored for international applicants, provides health-system pharmacy experiences with specialized clinical pharmacy practice and hospital dispensing operations.</p>
